

FLEX Interest Survey

Dear Parent:

The NAVY PTA, in conjunction with Fairfax County Public Schools' Adult and Community (School)

Education, plans to offer **world language classes** before and after school if there is sufficient interest. The information you provide is essential for the planning and implementation of the program for our school.

The FLEX language classes will be taught using games, songs, drama, drills, dialogues, maps and culturally-related activities. There will be approximately 10 to 15 students in each class. The classes will be held once or twice a week, before or after school, for 15 or 20 weeks. **The cost would be approximately \$169 or \$199 respectively for once a week, and approximately \$269 or \$319 for twice a week.** At present, about 50 percent of the elementary schools in Fairfax County Public Schools offer Foreign Language Experience (FLEX) classes in **French, German, Spanish, Hindi, Chinese, Japanese, Italian, Korean, Arabic, and American Sign Language.**

A culture course, Spanish Heritage FLEXtra, is also offered. Children in grades 2 - 6 participate in authentically-based cultural art, music, and design activities that originated in a variety of Spanish-speaking countries. This is designed with current FLES and FLEX Spanish language students in mind. The cost is the same as the FLEX language course for 10- and 15-week courses respectively.

If you and your child are interested in your child attending FLEX classes, please fill out the survey form below, and return it to your child's teacher by 1/18/12 (date)

Thank you for your input about your preferences for language offerings at our school. We appreciate your participation.

Sincerely,

Mr. Coch
