

# 2018-2019 NAVY ECO CLUB APPLICATION

**WHO?** Highly interested students in grades 1-5. Space is limited. Notification will be given in Friday Folders by June 15th.

**WHEN?** Eco Club will meet twice a month, September-June.

**Absence Policy:** Students are able to miss 3 meetings.

**WHAT?** The Eco-Club is part of Eco-Action! Our club will work to continue to build our Eco Awareness at Navy and in our community. We will work to continue to build our schoolyard habitats, recycle, reuse, and renew and be energy conservers. Interested students should have a desire to learn and teach others about the importance of eco stewardship. Interested students should have interested parents! Each student's families are strongly encouraged to want and be involved in our Eco Action. There are many opportunities for families to help and help is needed!!

If you are interested in reapplying to be a part of the Eco-Club at Navy, fill out the application and **submit to Mrs. Drost by June 6th. Please write legibly.**

First and Last Name \_\_\_\_\_

Current Teacher Name \_\_\_\_\_ Current Grade Level \_\_\_\_\_

Parent Contact Name \_\_\_\_\_

Parent Contact Email \_\_\_\_\_

**Commitments:**

YES, I would like to be a member of the Navy Eco-Club. I understand that I need to attend ALL meetings and other special activities throughout the year. I am excited to be involved in Eco Action!

**Student Signature** \_\_\_\_\_

Next year I will also be a (*circle all the apply*)      PATROL      WNES      SCA

YES, my child has my permission to be a member of the Navy Eco-Club. I understand the meeting commitment and absence policy.

YES, I also plan on being involved by directly helping with activities. I commit to the \$10 registration fee which will include payment for my child's Eco-Club t-shirt.

**Payment due at the beginning of the year.**

**Parent Signature** \_\_\_\_\_

**Student Responses:** Parents, you are welcome to help your child think of ideas and reflect on what they have done and learned in the past year. Although, the writing should be done by the student.

Fill out the chart below explaining what have you done in the past year to help take care of our Earth.

School	Outside of School

What is one thing you would like to do as part of the Eco Club?
