Come join the fun! This popular program focuses on the fundamentals of the sport through intramural style games. Basics of flag football will be introduced to those new to the game while those with past experience will get right into scrimmages. Improve your football skills such as passing, running, catching punting and kicking. Emphasis will include skill development, team work, and sportsmanship by playing intramural style flag football and related games.

Parents: The school clinic is not open during after-school programs, and epinephrine is not available. If your child might suffer an anaphylactic allergic reaction and need epinephrine, please make arrangements for a trained adult to attend the after-school program with your child's Epi-Pen at the ready. Your PTO wants to make sure your child is safe.
