*This activity is sponsored by the Navy Elementary School PTO is operated independently of the Fairfax County School Board, Superintendent and Navy Elementary.*

Description: Each class will consist of theatre games, acting terminology, performance etiquette and scene work. We will provide a safe and nurturing environment employing positive feedback which allows your child to learn and have fun! This class will encourage your child to act silly and express themselves while learning how to respect others, grow their confidence, use and develop their imagination and increase their confidence.
